

**PEKELILING PENGARAH TANAH DAN GALIAN SELANGOR
BILANGAN 1/1963**

ALIENATION OF LAND IN NEW VILLAGES

It would appear that there has been some confusion regarding the period of each title to be issued in respect of building lots alienated in New Villages. This has arisen because of recent change in the policy on such alienation .

2. Collectors are asked to note that the present policy of the State Government is to issue an E.M.R. or Lease (as applicable) for a period of 60 years and no longer for 30 years as previously notified.

3. Please, therefore cancel or amend any previous circular on this subject as far it refers to an E.M.R. or Lease for a period of 30 years.
