The attention of Collectors Land Revenue is drawn to Land Circular No 2/58 dated 29th October, 1958 in which it is stated that claims for rebate which has been approved in respect of future years should be checked annually by an inspection. The purpose of this inspection is to ascertain whether the cultivation is being maintained in the proper manner and if it is so, the Collector may allow the rebate to continue. Where the cultivation is not properly maintained Collectors should make immediate recommendation for the withdrawal of such approval.
